

Directions to The Reading Hospital Regional Cancer Center

- Use the 5th Avenue entrance to our West Reading campus. Convenient parking is reserved for you in our 5th Avenue Garage. *(See campus map on reverse side.)*
- For FREE valet parking, to drop off a patient, or for assistance:
 - follow the driveway straight back beneath the building
 - our blue-shirted valets will be there to assist you
- To SELF-PARK and walk to the Regional Cancer Center entrance:
 - make the 1st left turn into the garage immediately before the granite-ball fountain
 - enter the 5th Avenue Garage, and park on this level in any available space close to the Regional Cancer Center entrance
- Enter N-Building through the revolving door on the ground level. This is The Reading Hospital Regional Cancer Center, and there is a Hospital staff member on duty in the lobby to assist you.
- Proceed through the lobby, and turn right at the glass corridor.
 - For **RPS Gynecologic Oncology**, make the first left turn.
 - For **Berks Hematology/Oncology Associates**, make the second left turn.
 - For the **Image Recovery Center**, proceed to the end of that corridor. Turn left, the center will be immediately on your right.
 - For the **Protocol Office**, turn left at the end of the corridor, and go past the Image Recovery Center; turn right at the next corridor. The Protocol Center will be on your left.
 - For **Radiation Oncology**, turn left at the end of the corridor, and go past the Image Recovery Center. Turn right at the next corridor. Radiation Oncology registration area will be the second doorway on your left.
